Team	Feedback	Response
Audiovision	List all things wrong with password instead of only 1 when doing signup	Good idea. We modified it to do this
Professor	Show question/answer label when viewing flashcards in deck mode	Yeah this makes it a lot more clear. Added.
Librarians	Add ability to edit flashcards	Great feature. Added
Librarians	Add ability to delete flashcards	Great feature. Added
Audiovision	Quiz scores get compressed when there are too many	Fixed by showing 5 scores at a time and letting users cycle through scores
Librarians	Add to quiz page that there needs to be a minimum of 4 flashcards in the set to take the quiz (for when you have less than 4 cards)	Already in the works. Will be done soon
Professor	Add a reset password/username	We can add a simple version of this.
LunaR	Add a deck view mode for flashcards	Good idea. Added
Librarians	Make deck view mode the default	Yeah this seems to be the way most people look at flashcards so good idea
Professor	Add a confirmation when submitting a quiz	Good idea. Added. Don't want users accidentally submitting quizzes before they are done
